About the Wing Coop...

The Wing Coop began in 2007 to satisfy our need for fantastic wings and tenders in a relaxed environment. We suddenly found ourselves atop the world of wings, taking first place at the National Chicken Wing Festival in Buffalo, NY with our Honey Habanero sauce. We won again in 2008 with our Tatanka sauce; and yet again in 2009 with our Santa Tabasco sauce. We're thrilled to share our creations with you. Thanks for your visit!
